- Grasp the upcoming challenges for the corporate world as sustainability and AI issues converge.
- Interact with bankers, regulators, equity analysts and other investment and financial analyst professionals.

The EFFAS Summer School

The EFFAS Summer School is a leading annual conference, offering a dynamic platform for financial professionals to engage with the latest industry trends. It gathers hundreds of participants yearly from around 20 countries.

Renowned for their speakers and an audience of professional financial analysts, the conference facilitates a rich exchange of ideas and insights, making it an essential gathering for those at the cutting edge of financial analysis and innovation.

About EFFAS

EFFAS is a not-for-profit organisation founded in 1962. Its goal is to set the requirement standards for investment professionals, to act as a think tank and centre for discussion and be a European reference in Training & Qualifications.

EFFAS is the umbrella organisation of 14 national societies in Europe. It represents more than 16,000 Financial Analysts, Asset Managers, Pension Fund Managers, Corporate Finance Specialists, Risk Managers, Treasurers and other professional profiles in the investment professions.

20 June: 8.30am-6pm
21 June: 9am-1pm
